David  
Dear Governor McCoy:

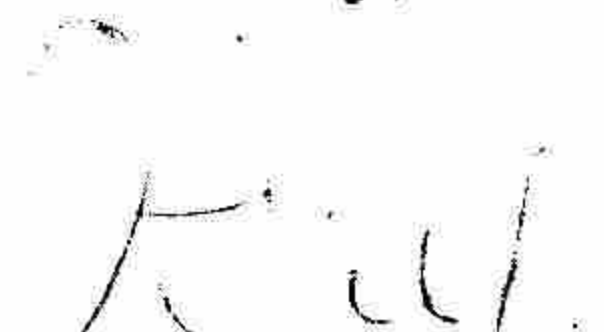

It is with great pleasure and appreciation that we recognize District 7690, North Carolina, USA, as being the first district in the world to have each Rotary club certified as a *100 Percent Paul Harris Fellow Club*.

When the Trustees established Paul Harris Fellow recognition in 1957 as a way to honour Rotary's founder and express appreciation to those individuals whose US\$1,000 contributions to The Rotary Foundation help to make our world a better place, we don't know if they ever conceived that nearly five decades later in May 2005, the Foundation would name its *One Millionth Paul Harris Fellow*.

When the Trustees established the 100 Percent Paul Harris Fellow Club banner recognition in 1998, we also don't know if they anticipated that within ten years, we would be recognizing one district as having achieved 100 percent status of a 100 percent recognition program. The impact of that achievement cannot be overstated for it is the contributions to our Foundation represented by each Paul Harris Fellow in District 7690 that has provided numerous educational opportunities for brilliant young minds; food, clean water and other basic human needs for the underserved; polio immunizations for the world's children; and, countless other humanitarian programs that have helped millions of people around the world.

In recognition of this fine accomplishment, please accept this Certificate of Appreciation, and our personal appreciation, for becoming the first "**100 Percent – 100 Percent Paul Harris Fellow Club District**." Please extend our congratulations and sincere thanks to every club -- and every Paul Harris Fellow -- in District 7690 for their commitment to our common goals of world understanding and peace. It is truly a wonderful way to demonstrate how *Rotary Shares*.

Sincerely,
