

Sample Letter sent to Rotary Club Presidents in DECEMBER

January 2009

Dear Rotary Club President,

Twenty-seven years ago, the Greensboro Chapter of Rotary International and the Center for Creative Leadership perceived a need to create a program to improve leadership among Triad youth. Stuart Fountain and Victoria Guthrie of the Greensboro Rotary Club conceived and implemented what is now known as the Rotary Youth Leadership Program. This program enhances the lives of numerous youth in our district, putting into practice the Rotary motto of “service above self.”

Since its inception, the Rotary Youth Leadership Program has provided leadership training to more than 1100 high school students. The program focuses on leadership concepts, skills, and models while providing important peer networking, all in an active and fun format on a local college campus.

Each year, we ask each club in District 7690 to develop a selection committee to interview and select applicants from the club’s local high schools. As a Rotary Club President, we request that you develop such a selection committee, designate its chairperson, and mail or email the chairperson’s name to:

RYLP Program Director
Rotary Club of Greensboro
612 Pasteur Drive, Suite 405
Greensboro, NC 27403

As soon as we receive the requested information, we will mail application materials to your Club’s Selection Chair.

This is an outstanding opportunity for Rotarians in your club to help prepare a few young people for future leadership. Thank you for making the Rotary Youth Leadership Program special and possible.

Sincerely yours,

Sam Troy (336-327-2152)
And
Steve Stoner (336-544-1074)
Directors
