I wanted to share the great new with you. District 7690 now has its second World Peace Scholar!!!! Her name is Sallie Lacy and is a most outstanding young woman. Sallie graduated from Greensboro Day School and the University of NC at Chapel Hill. She has also served in the Peace Corp and currently involved in humanitarian efforts in Bolivia. She received her first choice to study in Australia. Sallie's family reside in Greensboro and she was sponsored by the Summit Rotary Club. The Scholarship Committee was confident that Ms Lacy would be an ideal Rotary World Peace Scholar. It is said best by one of her references: "Sallie is a magnificent human being! She has fervor for bringing peoples of the world together in understanding and achievement. Her gifts of high intellect, magnanimous empathy and resilient flexibility make her a candidate for leading future generations."

I hope you and your family have a joyous holiday season.

Best regards

Mike Conrad

Dear Mike and Roger,

Am writing to let you know that I received a call today from Rotary International in Evanston letting me know that I had received the scholarship! And that I had been assigned to the Australia option. This is very exciting news and I wanted to send a note off to you both right away to thank you for your help throughout this entire process. You have both been so encouraging!

I also want to extend my thanks to Summit Rotary for this opportunity. The final obstacle is not over yet since I still have to apply and be accepted at the school, but I think we're almost there!

Thanks again and all the best to the gang at Summit Rotary! Will be in touch.

Sallie
