**Subject: Crescent Rotary Club: Triple Crown!**

Stuart and Patrick,

I am very pleased, and privileged to formally acknowledge the Rotary Club of Crescent as the world's first Triple Crown Rotary Club!

100% Paul Harris Fellows;

100% Rotary Foundation Sustaining Members;

and 100% Benefactors!

**CONGRATULATIONS!**

The dedicated Rotarians of Crescent, through your generous support and leadership are a shining example of Every Rotarian participating in YOUR Foundation, Every Year!

This tremendous achievement is truly an honor and demonstrates the club's dedication to the ideals of The Rotary Foundation. It is because of the support from clubs like yours that The Rotary Foundation is able to carry out our humanitarian and educational programs that benefit so many people. Please accept my sincere thanks for all that you have done and for all you plan to do for Rotary and your Foundation. We look forward to your continued leadership and support as we "Celebrate Rotary".

Sincerely,  
Brian
