How to contact Rotary Alumni

1. Go to <http://www.rotary7690.org/7690-District-Directory.shtm>
2. Click on the box in the right hand corner entitled DaCdb (District & Club Database).
3. Enter username and password.
4. Click on the tab that says All Clubs.
5. Scroll down to zALUMNI of Rotary.
6. Click on the word view.
7. Here you will see a list of all Rotary Alumni. At this time you cannot sort by location; however, we hope to add this feature in the near future.

Please keep the following in mind:

- This list is the most complete list we have at the moment. We have been unable to confirm contact information for a significant number of those listed. If you can help with this please contact the District Rotary Alumni Chair (see Committee Chairs list)
- The list includes alumni who we believe are living in our district. These are listed as "Active" or "Alumni."
- Also included are alumni who have visited our district as members of a Group Study Exchange team. These are listed as "Guest."
- Access to the list as shown in the "zALUMNI of Rotary Club" is the best way to access the list at present. We are working on ways to manage the list so that it will become a more useful tool for you.
