Our Rotary Foundation's Contact Center answers questions posed by Rotarians in the United States via telephone (**1-866-976-8279**) or email (Contact.Center@Rotary.org). The Contact Center is available only in the USA and enables Rotarians to get their Foundation questions answered promptly.

The Center is staffed by Foundation personnel experienced in Humanitarian and Educational programs as well as Fund Development. Rotarians seeking contribution reports, questions on Matching Grants, Paul Harris Fellow recognition, and other general Foundation questions should use the Contact Center first.

You can log in and view your club's Rotary Foundation records by using the account of your club president, club secretary, club secretary, club Rotary Foundation chair, or the district Rotary Foundation chair. In general, it is better to use the account of your club president or secretary if that information is available.

These records are particularly helpful if your club is pursuing 100% Sustaining or EREY recognition.
