"THE STORY OF 'ROTARY LIFER'

RUBY POWERS SHARED

AT RYLC"

Mitzi Ellis

Rotarians Dr. Stuart Fountain and Victoria Guthrie. It is sponsored by the Greensboro Rotary Club in cooperation with the Center for Creative Leadership in Greensboro, and is in its twenty-fourth year. The program provides 54 selected high school juniors and seniors throughout Rotary District 7690 an opportunity to develop effective and responsible leadership skills.

DGE David McCoy and I had the pleasure of spending some time with these students one evening during the program this summer and enjoyed the opportunity to motivate them to stay interested in Rotary opportunities. We shared the story of Ruby Powers, who calls herself a "Rotary lifer" even though she has yet to join a Rotary club. Ruby, a native of San Antonio, Texas, first became involved with Interact in high school and then spent two summers doing Rotary Youth Leadership camp. In her senior year, she attended a Rotary youth exchange meeting and was impressed by all of the participants who said "it was the best year of my life". Soon, Ruby left for a youth exchange in Belgium.

Ruby attended the University of Texas and became President of her Rotaract club. In the summer of 2004, she left for Barcelona, Spain as an Ambassadorial Scholar. While in Spain she got an e-mail from a woman whose son had a rare metabolic disease that could only be treated by a doctor in Barcelona. The family needed a place to stay and Ruby contacted her sponsoring Rotary club in Barcelona who agreed to host them. This experience led to her involvement later with a fundraising dinner for the organization which works to treat the disease and it has now become a personal project for her.

She is now back in the United States and attending law school. Ruby is grateful to Rotary for her Ambassadorial Scholarship. She says, "the message isn't to get a 4.0 and hold up in your room studying. It's to go out there, build bridges, learn, and connect the world". (...cont. pg. 2)

District Focus On Youth

In recent months, increased emphasis on youth has begun to bear fruit as efforts to revive youth exchange and focus attention on Interact opportunities have taken hold. Bob Newton continues to build a District Youth Activities Committee – opportunities for service in this regard still exist. Contact Bob for further information or to offer your involvement.

In July the District joined Eastern States Student Exchange, Inc., a multi-district organization promoting and coordinating youth exchanges for about 20 Rotary districts from North Carolina to Quebec, Canada. Two inbound students are expected this month, and one will be outbound to France. Additional information on Youth Exchange will be posted to the district web site in September, but for now there are two things every club can do. First, recruit youth who are juniors or seniors in 2006-2007 as youth exchange participants for either the short term exchanges in the summer of 2007 or for long term exchanges during the school year 2007-2008. This is a wonderful opportunity for these young people to grow and develop personally, and to advance the Object of Rotary at the same time, especially with regard to world peace and understanding. Second, recruit host families in your community to provide for inbound students beginning next summer and/or for the school year 2007-2008. Host families need not be Rotarian families, although that would be nice. The important thing is for the district to meet its obligation as a member of ESSEX to host inbound students.

At least two new Interact clubs are in the works. More on this as school begins and we take stock of existing clubs and the opportunities for new clubs. Also look on the web site for a calendar of events for next spring-summer, including the Drug Abuse Prevention Speech Contest, the Rotary Youth Leadership program, and the Whitewater World Affairs seminar.

I love Ruby's story and it has inspired me to appreciate our youth programs like Interact, Rotaract, and Youth Exchange as key members of our Rotary family. These young men and women are the future of Rotary who will Lead The Way in building bridges across cultures and adversity.

Thanks to all of the clubs in District 7690 who sponsored our students this summer and I hope you will keep them involved in our Rotary youth programs!

Charlie Hatch, Past District Governor from Rotary District 7710, presented the proceeds from the 2006 Rotary Statewide Charity Golf Tournament to the Boys and Girls Homes President Bill Thompson. The tournament was held on May 22 at Mid Pines Golf and Country Club in Pinehurst; and it was a joint venture of the multiple North Carolina Rotary Districts. Tournament details were chaired by Bill Kester, past president of the High Point Rotary Club. The tournament netted \$20,290 for the Boys and Girls Homes with the proceeds going for general operating costs for caring for the children supported by the Homes and the Endowment Fund for the Rotary Cottage. The 2007 Rotary Statewide Charity Boys and Girls Homes Golf Day will be June 4 at Mid-Pines. Mark your calendars now!

SHARE YOURSELF WITH OUR FRIENDS FROM TAIWAN Friendship Exchange – an invitation

Our district has been invited to participate in a Friendship Exchange with District 3460 Taichung, Taiwan.

Friendship Exchange – what's that?

A Friendship Exchange is just like a Group Study Exchange except it is for Rotarians and their families. And where the Group Study Exchange is funded by the Rotary Foundation, Friendship Exchange is funded by the participants. Learn more about Friendship Exchange: visit Rotary International's website:

<http://www.rotary.org/programs/rfe/index.html>

Tell me more about District 3460:

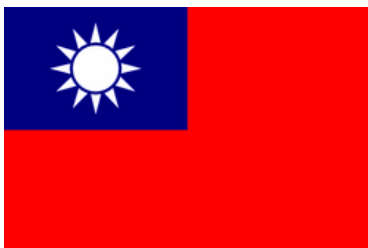

In March 2006 our district sent a Group Study Exchange team to District 3460. If you are lucky you have heard their report on how hospitable our Rotary friends in 3460 are. In April I hope you met the wonderful team from District 3460: Jim, Emmy, Alan, Peggy and Joann. You may want to talk with [Owen George](#), our GSE Team Leader or one of the members of his team to learn more about what you might expect.

You (and your spouse) are invited to participate in a Friendship Exchange:

- We hope that we will receive three or four couples from Taichung in late October / early November. among these we are told will be the immediate past district governor, Tiger Ku, and John C.K. Wu, the District 3460 Rotary Foundation Chairman. Their visit will be for 10 – 14 days. We will need to find host families who will be able to take some time to help us share our district with our visitors.
- We will be assembling a team to visit Taichung in late March or early April. This is your opportunity to visit a very different culture and at the same time make new friends and renew old friendships . . . travel with Rotary value added.

If you want to participate in this first District 7690 Friendship Exchange or learn more about the program, please contact Karen and Phil Morris (KMorris@triad.rr.com) now. Please indicate if you want to host or travel or both.

As this is the first Friendship Exchange our District 7690 has participated in, we invite you to volunteer to become a part of the planning committee.
