The Future of Rotary Is in Your Hands

Mike Conrad

As we embark on a new Rotary year, I can't think of a more appropriate theme announced by our Rotary International President, John Kenny – "The Future of Rotary Is in Your Hands." It is incumbent on us as Rotarians to determine the future of Rotary and assure Rotary is more relevant tomorrow than it is today.

Who better to chart Rotary's future than the Rotarians in District 7690 – one of the most accomplished districts in the Rotary world!

Rotary was founded 104 years ago on the clear idea that people of good character, intelligence, and morals, joined together, could achieve much more than they could do alone. We should be proud of our accomplishments thus far, but we can't begin to "rest on our laurels." It is clearly our responsibility to determine Rotary's future that will address the needs of those less fortunate whether they be in our own community or around the world.

That is why I ask you to join with me this year by exerting your great collective talents in the following areas:

Membership recruitment and retention - We continue to lose members in the United States and our district has been no exception to this trend. I am certain we will reverse the trend this year by recruiting new members with the capacity to do great deeds, to do them wisely, and with the strength and character to do these great deeds honestly and well. We often forget what truly life changing good works we do to make a simple "ask" of a neighbor, parishioner, or business acquaintance. No better way to fill a potential void in a person's life than to join a wonderful group of Rotarians who truly believe in "Service Above Self." I know my life was changed by a simple "ask" to join Rotary back in 1991. (cont. on pg.2)

Also, we must remember that once we recruit these new Rotarians, it is imperative to mentor them as retention is just as important as recruitment.

Water, health and hunger, and literacy – I ask you to continue your good works in these areas where there is the greatest need and we can make the greatest impact on the lives of others. We must continue to learn from our experiences and to build on our successes. I ask you to continue to work for health and well-being of not only children but families of people everywhere.

As many of you have heard me say, the club is the most important part of Rotary. Everything we accomplish begins and ends with our clubs. The clubs in our district have done stellar work in tackling worthy projects impacting those with lesser means. Your efforts are forever changing the lives of others.

Polio Eradication – We must finish the job! All of us are key to finally eradicating polio from the face of the earth. I am certain we as Rotarians are up to the challenge put before us by the Bill and Melinda Gates Foundation to raise \$200 million. Our district has a goal to raise \$350,000 by June 30, 2012. At this juncture we have raised approximately \$90,000. It is evident we have a ways to go. I ask you to establish a challenging but reachable goal and in doing so “widen the net” to secure these vital dollars from the citizens from your community. Will it not be a glorious day when it is announced that polio has been finally eradicated and we as Rotarians led the charge to make this happen?

In closing, I want you to know what an honor it is for me to serve as your District Governor this year. I know we have many opportunities and challenges before us. I also know we have the passionate Rotarians in District 7690 committed to changing the lives of others making this a better, healthier, and more peaceful world.

The future of Rotary COULD NOT BE IN BETTER HANDS!

DISTRICT LAUNCH OF FLIGHT OF HONOR WILL SEND VETERANS TO VISIT WWII MEMORIAL

DG Mike Conrad announced at District Assembly in May the first of hopefully many Rotary sponsored flights to Washington, DC to honor our WW II veterans living in Piedmont North Carolina.

On Saturday, October 3rd one hundred (100) World War II veterans will board a US Airways chartered flight from Greensboro to Washington, DC for a one-day trip to visit the WW II Memorial and other interesting sites. Regretfully, our country is losing nearly 1,500 WW II veterans each day and this is a tremendous way to show tribute and thanks for their service and sacrifice. Priority will be given to veterans who have never seen the WW II Memorial and who otherwise would not be able to go due to financial and/or physical limitations.

Rotary clubs in District 7690 are being asked to help recruit and sponsor veterans who live in our district for the flight. Clubs are encouraged to partner with veterans' organizations, civic groups and churches in their fundraising efforts and search for veterans. The cost to sponsor a veteran is \$500. We will also need 33 volunteers to go as guardians on the flight to assist the veterans throughout the day. The cost to fly as a guardian is \$200. Any club that sponsors 3 veterans will be allowed a guardian spot.

A new website www.triadflightofhonor.org will be available soon with additional information on this flight, applications for veterans and guardians, and sponsor/contribution information. Once the website is launched, our district website will provide a link to it.

The week of July 4th, there will be a local media blitz including TV, radio, and print media to kickoff this event, solicit fundraising support and attract veteran applicants from our communities. Rotary is the lead organization in the planning and execution of this flight.

Our Rotary neighbors in District 7680 supported a similar flight from Charlotte in April 2009, which was a huge success. Please visit their website at www.flightofhonor.org and see the short videos on the history and impact of these flights.
