

## The Rotary District 7690 Four Way Test Speech Contest

Our Rotary Club invites you to send a contestant to the Rotary District 7690 Four Way Test Speech Contest. As part of Rotary's emphasis on supporting our youth, this contest is an opportunity for high school students in grades 9 through 12 to develop their public speaking and leadership skills.

As in past years the contest is scheduled to be held the last Saturday in February (**February 27, 2021** this year) at the GTCC Sears Applied Technology Building Auditorium in Jamestown, NC. However, due to the persistence of COVID-19, we will confirm the final date and time later this year.

High school speech contestants are asked to present a six-minute persuasive talk, directed toward their peers, to promote high ethical standards in daily life. The speech should clearly mention the application of Rotary's Four Way Test to facilitate positive and ethical behavior in youth and teens.

**What is the Four Way Test?** It is a list of four questions Rotarians ask themselves as they consider the ethical situations they face in their life.

If applicable, they may want to incorporate Rotary's theme for the current year into their speech.

Speeches will be judged for content and presentation. The content should be focused, clear, and accurate, and should be delivered in a logical, organized, and persuasive manner. Articulation, body language, creativity, and effectiveness in engaging peers in the message of ethical choices and behavior relating to the Rotary's Four-Way Test will be important criteria in judging the presentations.

**Prizes will be:**

- \$1000 for first place
- \$500 for second place
- \$250 for third place
- \$100 for fourth place

The speeches may be videotaped, and the top four presentations may be used on District 7690 social media at the District's discretion.

Additionally, the winner will be invited to present his or her presentation at Rotary District 7690's Conference, to be held in Asheville, NC on April 16-18, 2021.
